COMPANY INTRODUCTION

Innovestra Industries Pvt. Ltd. is a global end-to-end solutions partner for alcoholic and non-alcoholic beverage manufacturers. We operate as an extended arm of the industry - delivering integrated sourcing, supply, and strategic value beyond traditional trading.

Our portfolio spans a wide range of solutions, including premium glass bottles, advanced closure systems, aluminium cans and bottles across multiple applications, and aluminium containers for the food industry. In addition, we provide high-quality beverage ingredients such as flavors for alcoholic and non-alcoholic beverages, specialized enzymes for brewing and food processing, and Extra Neutral Alcohol (ENA) from both grain and molasses for human consumption and industrial use.

We further offer globally sourced bittering and aroma hops, along with bulk spirits including Scotch, Cognac, Rum, Gin, Tequila, and Vodka - making Innovestra a comprehensive, one-stop partner for the beverage and allied industries.

Since 2016, we have been empowering brands worldwide with reliability, efficiency, and scale.

Our Product Portfolio

We offer a comprehensive range of high-quality packaging and raw material solutions tailored for beverage, FMCG, and personal care industries. Our diverse portfolio ensures reliability, customization, and global supply capabilities.

Glass Packaging Solutions

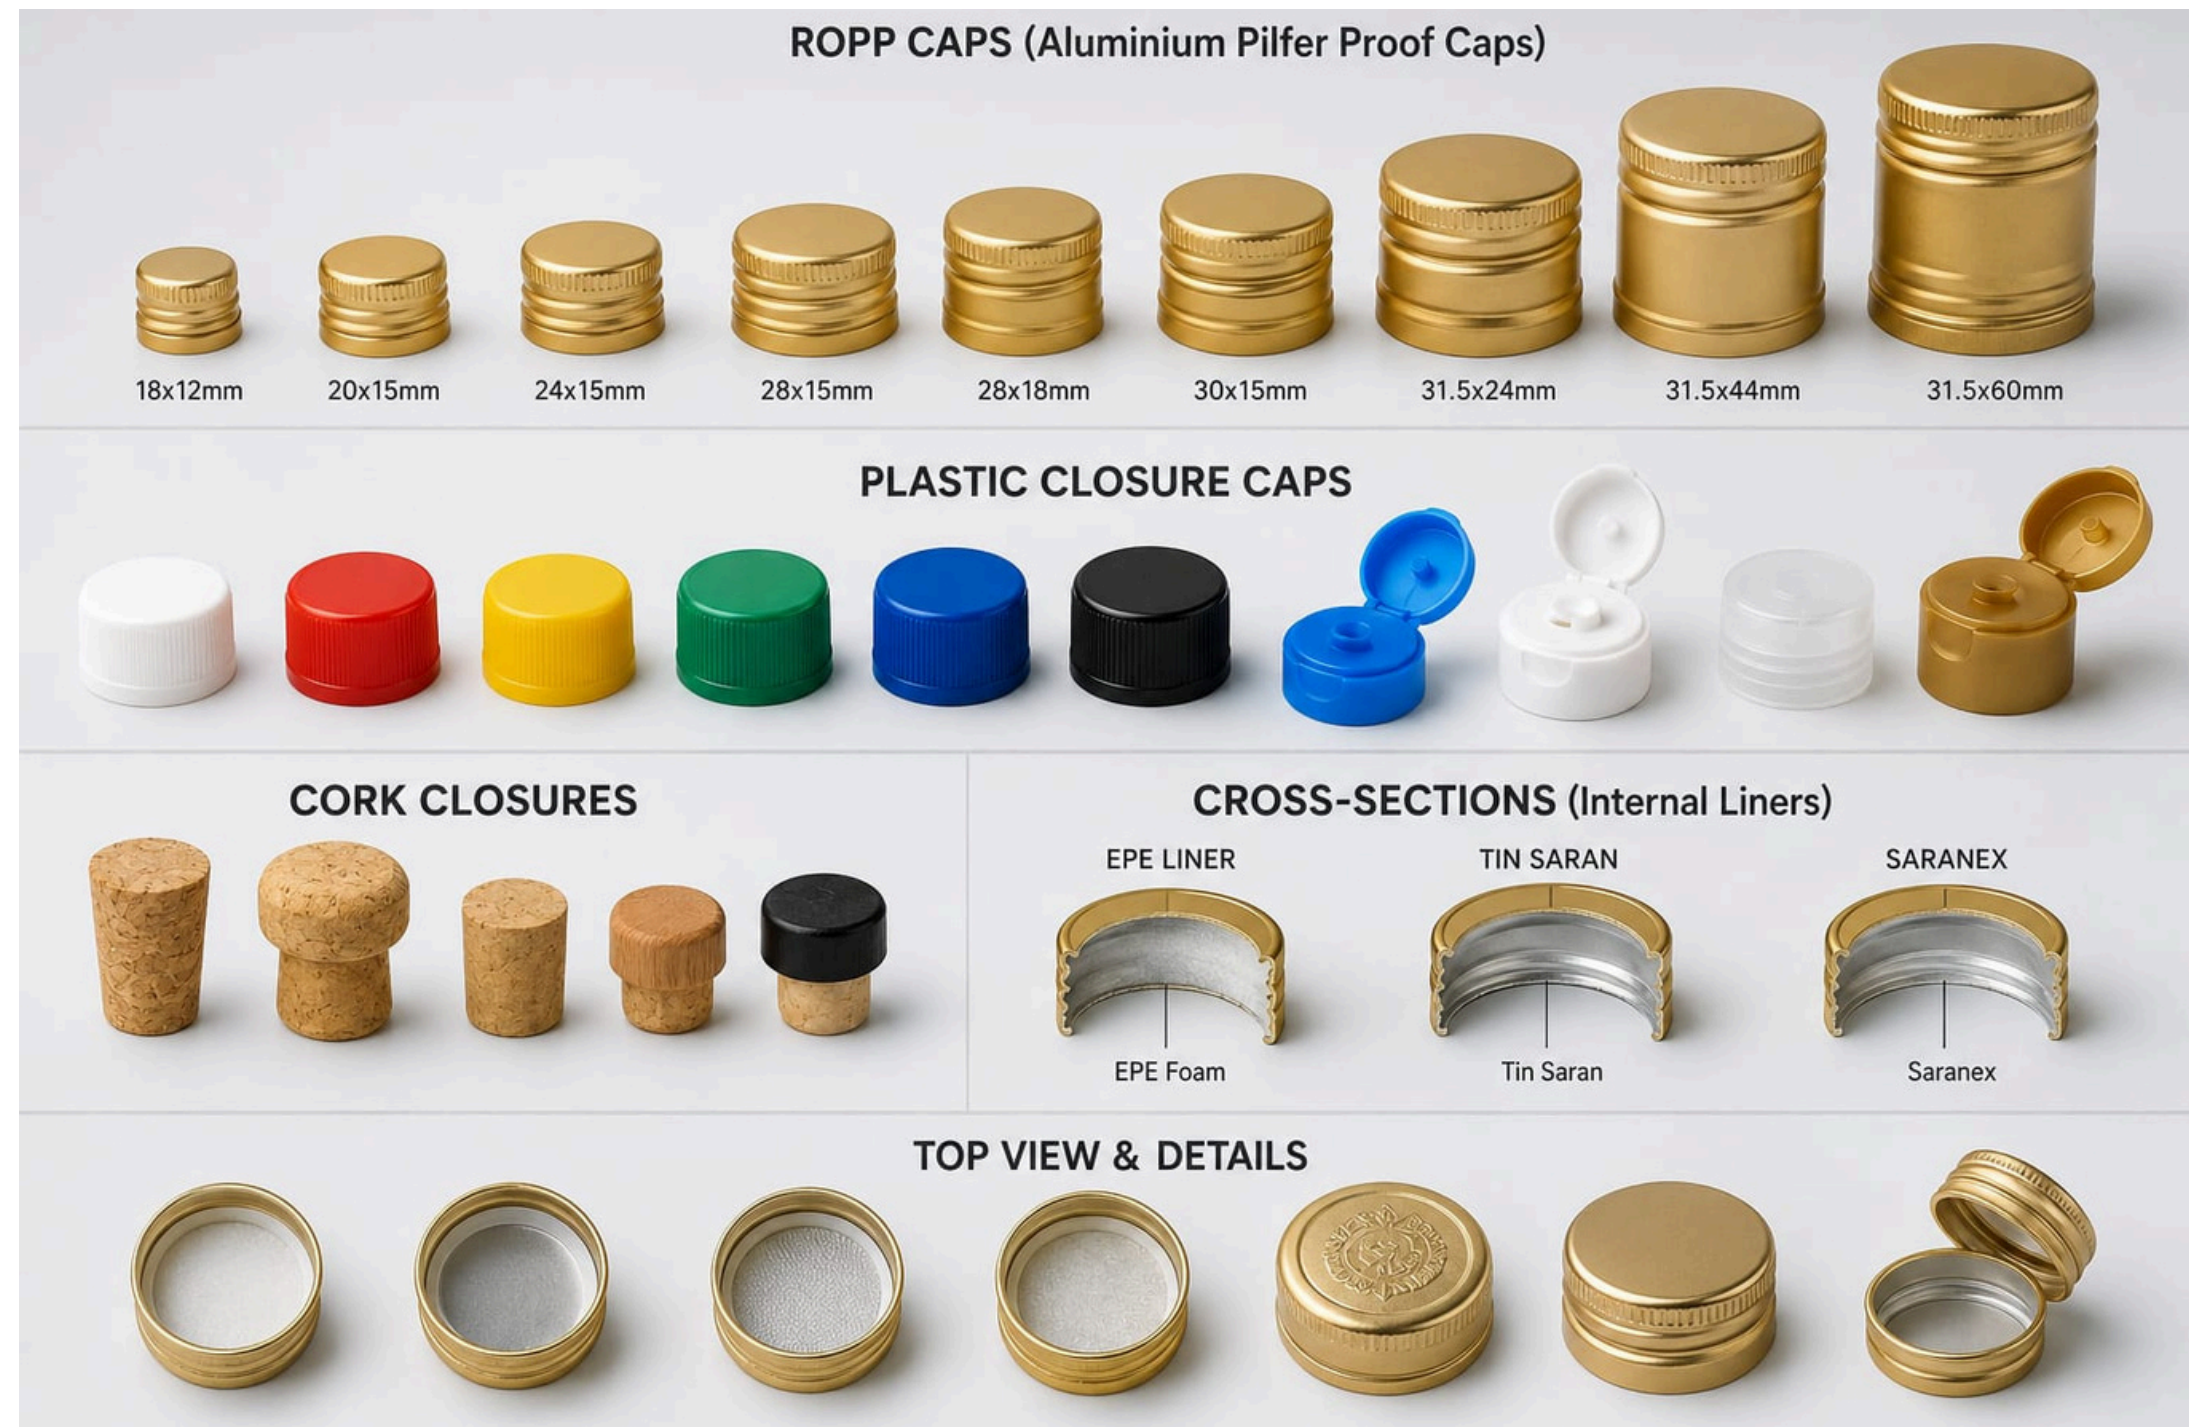

Our glass packaging range combines premium quality with versatile design options. We offer flint, super flint, coloured, frosted, printed, and metalized bottles tailored for whisky, vodka, gin, wine, beer, and other beverages. With sizes ranging from 50ml to 1000ml, our solutions are fully customizable and compatible with cork and ROPP closures, ensuring both functionality and brand appeal.

Aluminium Packaging

Our aluminium packaging solutions are designed for performance, sustainability, and brand visibility. We provide beverage cans in multiple sizes, along with aluminium tins and custom tubs. Lightweight, recyclable, and highly durable, these solutions enhance product shelf life while offering maximum branding potential.

Closures & Caps

We offer a wide range of high-quality closures, including ROPP caps, plastic caps, and cork solutions. Our ROPP caps, ranging from 18x12mm to 31.5x60mm, are available with multiple liner options such as EPE, Tin Saran, and Saranex, catering to diverse packaging needs across industries.

Personal Care & Cosmetic Packaging

We offer a refined range of perfume bottles and cosmetic packaging solutions designed to enhance product presentation. With elegant designs and customizable options, our packaging supports premium branding and consumer appeal.

Brewing Raw Materials

We supply premium brewing ingredients designed to deliver consistency and quality. Our range includes high-grade hops such as Cascade, Magnum, and Citrus varieties, along with barley, wheat, and specialty malts in various profiles to meet the needs of modern brewers.

Ethyl Alcohol & Spirits

Our portfolio includes high-concentration, food-grade flavour solutions for alcoholic beverages such as whisky, vodka, rum, and gin. We also supply high-purity ethyl alcohol, including grain-based ENA, neutral spirits, and industrial-grade ethanol, suitable for both beverage and industrial applications.

Why Choose Our Products ?
